

Fix the Base Bar on the 2 Side posts

After Fitting the Base Bar on the two Side Posts (Keep the assembly slightly loose)

Fix the Center Bar with the Pen & Duster holder. The stand is ready for the board.

Fix the Side Brackets on both sides of board. The holes are predrilled for the bracket  
Page\_2

Fitting of bracket on the other side of the board.

The Red plastic knob on top is to be removed to fit the board.

Remove the red Plastic Knobs

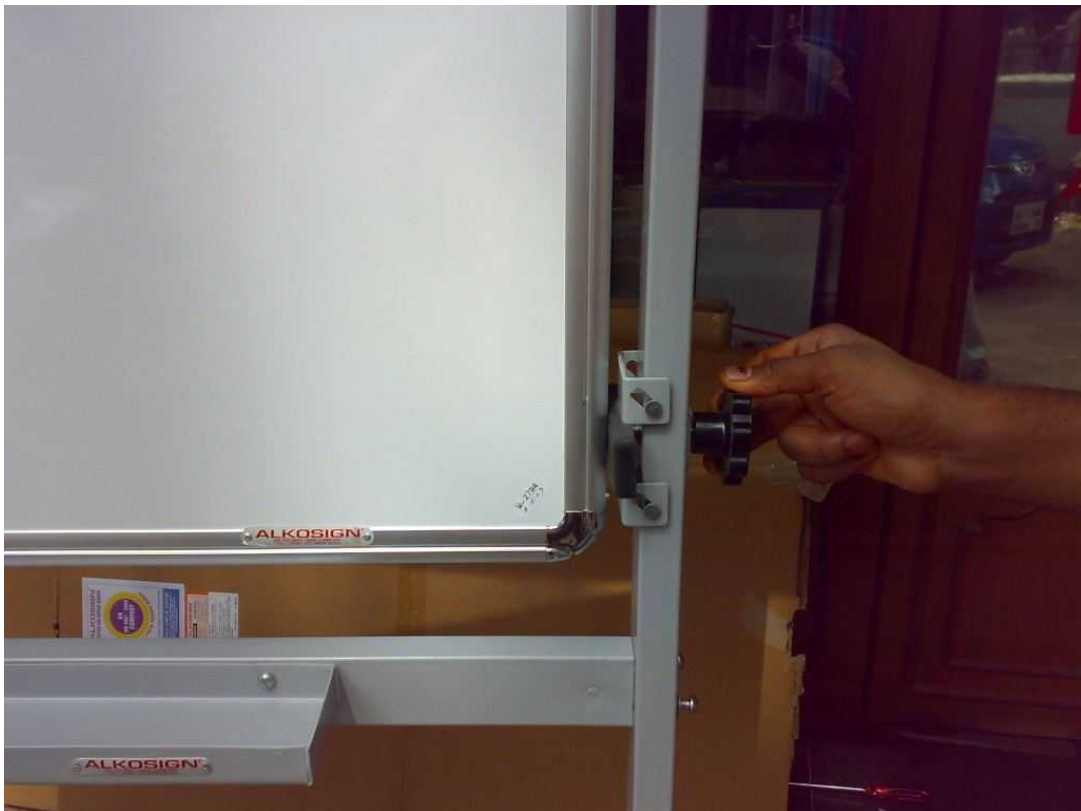

Fix the board in the slots provided  
Page\_4

Board fitted in the knobs

Board can be rotated for use on both sides

Tighten the clamps to fix the board in a fixed position
